Limited time offer; subject to change. Taxes and fees additional. **Audi connect:** Audi connect requires a specific data plan. Payment due in advance of service; 3-year agreement is required. Domestic data usage only; no voice or messaging service or international roaming, available. Charges for third-party content or services not included; separate, additional download usage charges may apply. No refunds if service cancelled before end of any prepaid period. **Data Usage:** Your data session or service may be slowed, suspended, terminated or restricted if you use your service in a way that interferes with impacts our network or ability to provide quality service to other users, if you roam for a significant portion of your usage, or if you use a disproportionate amount of bandwidth during a billing cycle. You may not use your plan for prohibited uses. **Coverage:** Service, including high-speed network coverage, not available everywhere. Speeds variable and affected by network congestion, geographic conditions and traffic.
