**Audi**

**2013 A5 Coupe & Cabriolet Model-Line**

**Model Overview**

Alongside the Audi A4, the A5 and S5 receive a similarly comprehensive makeover, but with even more changes occurring in the engine room. Closely following the very successful TT RS, the RS 5 is a welcome high-performance addition to the A5 line-up. With a stratospheric 8,500rpm redline, the direct-inject 4.2 liter V8 engine delivers 450hp and 317lb-ft of torque. And with an innovative crown-gear center differential, and torque-vectoring sports rear differential, the all-wheel drive system on the RS 5 is the pinnacle of quattro® technology. Alongside the RS 5 addition to the A5 lineup, we will also bring the award-winning supercharged V6 to the S5 Coupe models. Thus, the A5 lineup has never been stronger.

**Model Year Product Changes**

- Design:**
- Xenon plus headlights & LED taillights now feature "tube-optic" design
  - New 18 and 19-inch wheel designs on A5
  - New exterior & interior colors, and inlay pairings

- Engine/Drivetrain:**
- Hydraulic power steering replaced with a lighter and more efficient electromechanical unit
  - S5 S tronic models feature new crown-gear center differential (lighter, faster-reacting)
  - S5 Coupe now includes 3.0 TFSI V6 paired with either a manual or S tronic transmission
  - RS 5 Coupe with 4.2 FSI V8 engine, S tronic, and optional ceramic front brakes

**Offer Structure:**

- Three-zone climate control now standard on all A5 models
- Audi MMI Navigation plus package now includes Audi connect with online services and Audi parking system plus with rearview camera
- Driver Assistance package on Prestige models include Audi adaptive cruise control w/ stop & go functionality, Audi dynamic steering, and Audi drive select controls
- S line package on A5 Prestige models now feature a flat-bottom steering wheel
